Gahcho Kue**

Social Way 3.0 was launched in January 2020. At the end of 2024 Gahcho Kue self-assessed against all the planned targets and have consistently met the targets for the Social Way 3.0. Gahcho Kue continues to implement the Social Way as best practice to complement their overall Social Performance strategy for the year 2025.

Two of the requirements relate specifically to human rights due diligence and the Social Way Toolkit provides extensive guidance and templates support operations with their implementation:

- Requirement 3C. Social & Human Rights Risk & Impact Analysis
- Requirement 4E. Voluntary Principles on Security & Human Rights
